MEALS (for all registration options)

Meals are NOT included in the accommodation and day visitor rates so that all registrants are free to pre-order all or any of the following meals, or choose to eat out in the nearby village. Kumari Beck has agreed to cater the first 3 meals, maintaining the same prices as last year for Friday Dinner, Saturday Breakfast and Saturday Lunch.

The remaining 4 meals will be catered by the Retreat Centre. You might note that these meal costs have increased since last year. This is for 2 reasons:

1. This year we have opted for the superior regular menu, instead of the less expensive Camper's Alternative Menu.
2. Like us all, Alexandra Retreat Centre is experiencing higher food costs at the grocery store and has been forced to increase their prices.

However, we hope that you will chose to eat at the Retreat Centre, as we are committed to ordering a minimum number of meals for each meal over the weekend.

The meal prices are based on the following age groupings:

Adult - 13 years of age and older

Child - 4 to 12 years old

Children - 3 and under - are free

Meal booking deadline is July 8.
