ADVENTURE WITH PURPOSE

Join us with SDIA's Human Force program and make a real impact in the Amanecer community! During this 10-day adventure you'll get hands-on by engaging in native flora & fauna, help build essential community infrastructure, while diving into important development issues, and discover how you can take charge & create positive change!

WHAT' TO EXPECT

- Explore diverse plant species, the endangered night monkey and go bird watching
- Get hands-on by helping to build a community kiosk & play facilities for local children
- Teach English at a local school
- Discover the unique social, environmental and economic stories of the local region
- Hike the Cocora Valley overnight
- Immerse yourself in Colombian culture with dancing & cooking
- Engage in meaningful conversations about the environment, our impact, and our roles as global citizens
- Accomodation, meals and all activities included!
- Open to all youth over 18 years
