

2026 PNW KEJIWAAN GATHERING

SEABECK Conference Center, September 17-20

PLEASE JOIN US!

From Halima Taylor:

The PNW event formerly known as Menucha, is now being held at Seabeck, a venue on Hood Canal in Washington state. If, like me, you long for more Kejiwaan in a world with so many unpleasant distractions, Seabeck is an antidote to the hustle and bustle and a welcome relief from doomscrolling. Come relax in the beautiful surroundings of this calming, comfortable conference center with your brothers and sisters.

Seabeck has a variety of accommodations to suit most budgets. The communal spaces offer room for ample latihans as well as outdoor activities, contemplative walks, and some sports.

Come and refresh with us!
